**Fragrance:**

Tea tree oil has a medicinal, antiseptic smell so it smells like it's doing your skin good. If you're not keen on that sort of fragrance, it can take a bit of getting used to but the smell doesn't linger so it's not a problem.

**Environmental and ethical:** Metique only uses Tea Tree Oil from plantations that comply with organic farming techniques and pharmaceutical quality standards. Jenny tells me none of the Metique products are tested on animals and are suitable for vegetarians and vegans.

**Packaging:** Easy-to-use pump-action plastic bottle can be recycled in your household recycling or keep them to refill from the 1 litre bottle. Don't forget that the [plastic lid can be recycled](#) at your local Lush shop.

**Price:** 250ml for £10.20 / 1000ml for £29.00. Special offers often available.

Save money by buying in bulk and decant into smaller bottles for the bathroom or travel. This is ideal for larger households or club together with some friends to save you all money plus reduce packaging and transport miles.

Metique tea tree oil hygienic skin wash – shower gel with benefits?  
MARCH 20, 2012 PAGE 2

My home is never without a bottle of tea tree oil and a bottle always comes on holiday with me. So when Jenny Bacon from Metique ([www.teatreeoilproducts.co.uk](http://www.teatreeoilproducts.co.uk)) contacted me on Twitter to ask whether I would like to try some of her tea tree products, my answer was obviously "Yes, please!"

Be a shade greener star rating  
(Four Gold Stars out of Five)  
Conclusion:

If you're looking for a multi-purpose gentle and effective skin wash for the whole family which can improve and maintain your skin's health, this is a great product.

An ideal alternative to traditional acne face washes and good for people prone fungal infections such as ringworm and athlete's foot.

I think I'll continue using it every few days in place of my normal shower gel to help my skin stay healthy.

More reviews of Metique products coming soon.
