

METIQUE®

The Gardener's Choice

Tea Tree Oil Products

Natural Antiseptic

Effective Results

Gentle on skin

Metique Australian Tea Tree Oil is a natural antiseptic and antimicrobial ingredient that kills bacteria without disrupting the resident flora on the skin. Three key products come to mind when I have been working in the garden.

Metique Hygienic Skin Wash has 5% Tea Tree as it's tough on bacterial and great to wash the dirt and grime plus excellent to clean cuts, grazes or scratches prior to treatment.

10% Blended or 100% pure oil for any injuries, thorns, scratches or grazes.

Metique Hand & Body Lotion can be applied liberally to cool and soothe scratches, stings & will nourish and rehydrate hard working hands.

EASY STEPS TO LOOK AFTER YOUR HANDS.

METIQUE®

Metique Gardener's Choice

After a tough day in the garden from digging, weeding, pruning, splitting and dividing plants your hands are going to need a little TLC.

Metique products are paraben free and formulated with natural Vitamin E and will gently wash away the layers of mud, dirt and grime. Treat wounds such as blisters, splinters and scratches and nourish and feed your hands.

Reason to use Metique

Natural tea tree oil products

Tea Tree Oil (*Melaleuca alternifolia*) has many properties to boast about. Tea Tree Oil provides the strongest natural broad-spectrum antiseptic known to man, the oil possesses the following qualities:

Bactericidal,
Fungicidal,
Antiviral,
Anti-inflammatory
Natural anaesthetic.
