

METIQUE®

SUMMER SKINCARE SOLUTIONS

With Summer here, we all want to avoid what comes with it ...dry skin conditions, breakouts, over exposed skin , sunburn, bites, stings and general knocks and grazes. Be prepared and treat the ailment before it has time to knock you out with **METIQUE** who provide the answers with a line up of must have Summer Essential TEA TREE OIL products formulated with natural vitamin E and paraben free .

Problem: Tired, Dehydrated skin

Solution: Metique Antiseptic Hand & Body Lotion (£10.71)

Soothe, dry, flaky, wind or sun chapped skin with this ultra nourishing antiseptic Hand & Body Lotion with aloe vera and vitamin A & E. This highly moisturising treatment is a great product for eczema sufferers in particular, as the level of tea tree oil helps calm inflamed, irritated skin; a side effect of this common skin condition. Also perfect to apply to bites and stings to soothe and calm the irritation.

Problem: For spots, bites , stings and grazes .

Solution: Metique 10% Blended Tea Tree Oil 25ml (£7.14)

Don't let the tell-tell signs of the party season show, try this miracle multi-purpose product to help solve a multitude of sins. This unique 10% Blend of essential Tea Tree Oil gives fast relief from embarrassing spot breakouts, uncomfortable 'killer heel' blisters, bites, scratches and stings. A must have in your handbag.

Problem: Sensitive, spot prone skin

Solution: Metique Hygienic Skin Wash (£10.20)

This sulphate free (non-foaming) skin wash is formulated with Vitamin E and 5% tea tree oil to help cleanse blocked pores and kill bacteria without drying the skin - A great gentle daily skin wash, ideal for everyone including teenagers, acne sufferers and those with sensitive skin prone to blemishes. This Skin Wash has also been used in clinical trials to combat MRSA on the skin so a must if visiting or undergoing treatment in a hospital.
