## Paraben free Tea Tree Oil products

We know today that most skin problems can be related to an uncontrolled growth of micro-organisms on the skin. METIQUE tea tree oil products can actually control micro-organisms, thus ensuring vital and healthy skin. Remember always wash your hands prior to washing your face - clean skin is healthy skin. **METIQUE Tea Tree Hygienic Skin Wash**. is scientifically formulated without sulphates (which can irritate and dry the skin when used frequently), This skin wash is a liquid soap, contains 5% Tea Tree Oil & Vitamin E. This wash will gently remove micro-organisms from the skin whilst continuing to maintaining the skins own immune system and natural moisture levels.

## Here are a few Top tips from METIQUE

From time to time we can all suffer from the odd breakouts, blemish, blackheads, spots and even acne. Metique can't guarantee to cure you in an instant but with the help of Metique Tea Tree Oil Skincare products we can set you on the right road towards healthy skin.

For optimum results our Tea Tree Oil skin wash should be used as a treatment and if you wash you skin morning and night with the Hygienic Skin Wash (available in 250ml & 1000ml bottles ( available online from <http://www.teatreeoilproducts.co.uk/shop>) it will gently cleanse the skin without stripping away all the natural oils. When you do get the odd spot then apply Metique 10% Blended Tea Tree Oil (25ml) as and when required.
