10% Blended Tea Tree Oil

10% Blended Tea Tree Oil

**Formulated with Aloe Vera & Vitamins
(water-soluble) Available 25ml**

Tea Tree Oil is a natural antimicrobial ingredient that will kill bacteria without disrupting the resident flora on the skin. The 10% Blended Tea Tree Oil is an excellent milder antiseptic and can be used several times per day. It can also be used to help prevent and treat ingrown hairs, cuts, grazes, insect bites, acne, cracks in hands and feet as a healing aid. Enriched with Aloe vera and vitamins C & E, grape seed procyanidins and is paraben free. A powerful blend of antiseptic properties and antioxidants based on natural activities.

This soothing Tea Tree Oil Blend can be used as a massage medium as it is water-soluble. Apply to larger areas of skin when it is diluted 2:10 with water (for external use only)
