

Paraben, Mineral Oil and Perfume Free

**Clinical Skin Treatment Products
Based on Natural Tea Tree Oil, Vitamins
and Beneficial Essential Oils.**

Tea Tree Oil: (Melaleuca alternifolia) originates from Australia, where the antiseptic properties are renowned and have been used for centuries by the Aborigines. METIQUE Tea Tree Oil is extracted from Tea Tree leaves and is grown in according with organic techniques and pharmaceutical standards, which guarantees the high quality oil always remains the same.

Tea Tree Oil: Kills bacteria without disrupting the resident flora on the skin.

Vitamin E: is a well known antioxidant which helps to ensure that the Tea Tree Oil stays active, promoting optimal skin hygiene. All of METIQUE'S formulated skin care products are produced with Vitamin E. Studies have shown Vitamin E acts as an antioxidant and protects the skin against free radicals, while promoting cell renewal, softening and calming of the skin.

Vitamin A: Calms irritated skin, removes dead skin cells, softens and promotes healthy skin.

Camomile, Calendula & Rose Hip: Calms an irritated scalp, *Rosemary & Peppermint* acts as a stimulate, while Pro Vitamin B5 and Avocado Oil will help nourish and moisturise the hair.

100% Pure Tea Tree Oil 10ml & 25ml

(Melaleuca alternifolia) provides the strongest natural broad spectrum antiseptic known to man and is a fresh, high quality oil possessing strong bactericidal, fungicidal, antiviral, anti-inflammatory and anti-septic qualities.

**Pure Tea Tree Oil
should always be used sparingly**

10% Blended Tea Tree Oil 25ml

Containing Aloe Vera, Vitamins C, E, grape seed pro-cyanidins. A powerful blend of antiseptic properties and antioxidants based on natural activities, and is water soluble.

**The Blended Oil can be applied sparingly
and as often as required. Apply
directly onto blemishes as
a healing aid and milder antiseptic.**

Hygienic Cleanser 100ml & 250ml

This new 'no water- leave on' product has been specifically formulated to kill disease causing micro organisms rapidly and effectively whilst maintaining the natural balance of the skin's bacterial flora for optimum health.

**Useful for hygienic hand cleaning
when no water is available
and perfect as a pre-wax
cleanser before hair removal.**

Hygienic Skin Wash 5% Tea Tree Oil 250ml

A hygienic antibacterial skin wash ideal for cleansing hand, body and face. Enriched with 5% Tea Tree Oil and Vitamin E this non foaming Skin Wash is specially formulated without sulphates (which can irritate with frequent use) and is ideal for sensitive skin giving super cleaning results.

**Gentle enough to use as an
intimate wash and excellent
for problematic skin.**
