

**After Wax (Hand & Body) Lotion
5% Tea Tree Oil 250ml**

This lotion effectively reduces redness and inflammation after hair removal. Providing an immediate soothing and cooling effect while nourishing and rehydrating the skin, It effectively conditions and moisturises the skin to prevent problems with ingrown hairs, dryness and irritation sometimes caused by hair removal.

Enriched with 5% Tea Tree Oil, Vitamin E and A.

Thoroughly nourishes and rehydrates skin, ideal after hair removal, after sun, cracked feet and hands, and as a general moisturiser.

Hand & Body Lotion 1% Tea Tree Oil 250ml

Provides an immediate soothing and cooling effect for the skin leaving it softer and smoother. It moisturises and nourishes the skin while maintaining the skins natural healthy balance. Excellent for dry skin conditions such as eczema and cracked heels, ideal for children's skin, after sun and insect repellent. Enriched with Tea Tree Oil, Aloe Vera, Vitamins A and E.

Ideal moisturiser to thoroughly nourish and rehydrate the skin.

About us

METIQUE is an established and proven paraben free range of Australian Tee Tree Oil Products. Clinically proven to provide natural, effective and hygienic results across a broad spectrum of treatments. Tea Tree Oil Products has been formed by Jeremy Bacon, ex UK face of Australian Bodycare, Rosi Chapman of Transformulas International Ltd, and wife Jenny Bacon to bring this specialist range to the UK Market. The METIQUE Range also includes products for Professional therapists including Pre Wax Cleanser, The Original Tea Tree Oil Crème Wax and After Wax Lotion offering a more comfortable and less traumatic experience and treatment.
