Kate Shapland: Waking up summer skin

THE COMEBACK Tea Tree Oil

Every bathroom cabinet and sponge bag should hold a bottle of tea tree oil – it is an excellent natural antiseptic – and this one, Metique Tea Tree Oil, is 100 per cent pure organic oil from Australian plantations. Dab sparingly on bites and skin irritations, or drop it on to a cold flannel as a compress for sunburn (£4.99, 01825-890236).
