

METIQUE®

Tea Tree Oil Hygienic Skin Wash with 5% Tea Tree Oil and vitamin E

Metique Tea Tree Oil Hygienic Skin Wash. Sulphate free. For sensitive skin

An antiseptic, antibacterial hand, body and face wash specially formulated without sulphates (which can irritate with frequent use) for super-clean results, has been formulated to kill disease causing micro-organisms on the skin whilst maintaining the skin's own immune system and moisture level. It is an ideal non-foaming, non-drying skin wash for hygienically cleansing the skin, leaving it fresh and clean.

Enriched with 5% Tea Tree Oil and vitamin E. Tea Tree Oil is nature's strongest broad spectrum antiseptic and vitamin E ensures Tea Tree Oil maintains its activity as well as giving the skin a silky smooth feel.

Directions:

Apply a small amount in the palm of hand, apply water and rub, then rinse thoroughly.

Gentle enough to be used as a face wash, intimate wash or for very sensitive and dry skin.

Non foaming and non drying

pH 4.5
