

Metique Summer Essentials

Metique Australian tea tree oil products offer you the perfect Summer Essentials, formulated with natural vitamin E and paraben free. Whether you plan to travel abroad or stay closer to home our unique products will keep your skin in perfect health from head to toe.

We all need a good skin regime especially when we are going on holiday. Metique have two tried and tested antiseptic skin washes one with 2% tea tree oil and the second with 5% tea tree oil (sulphate free), ideal for all skin types including sensitive, problematic, teenage or spot prone skin.

Our moisturising body lotions reduce redness and inflammation and will cool and soothe any irritations, whether it's in the form of insect bites or as an after sun. The lotions will thoroughly nourish and rehydrate the skin and are also perfect for dry skin conditions including eczema and ingrown hairs when used regularly. We have two Tea Tree Oils a 100% pure and a 10% Blended, great for spots, bites, grazes and stings - therefore one of your ideal Summer Essentials.
