

Metique After Wax Lotion

5% Australian Tea Tree Oil Lotion

Formulated with Vitamin A and E

Paraben Free

Available 250ml / 1000ml

Clinically proven and used in clinical trials this 5% tea tree oil after wax lotion has been extensively researched. Tea Tree Oil is a natural antimicrobial ingredient that kills bacteria without disrupting the resident flora on the skin.

Helps prevent ingrown hairs and soothes irritation and redness sometimes caused by hair removal. This lotion is formulated with natural vitamin A and E and is paraben free.

This soothing Tea Tree Oil lotion can be used on dry and sensitive skin or irritated skin, including cracked heels, dry or wind chapped hands, as an after sun. It can also be applied to insect bites, stings to help relieve the irritations and on scratches and abrasions as a mild antiseptic lotion.

**METIQUE 5% TEA TREE OIL
