

METIQUE®

Metique Hand & Body Antiseptic Lotion with 1% Tea Tree Oil, Aloe vera, vitamin A and E.

Metique Hand & Body Antiseptic Lotion

Provides an immediate soothing and cooling effect for the skin, leaving it softer, smoother and fresher. It moisturises and assists in maintaining a smooth, elastic looking skin. Excellent for drier skin conditions such as eczema and dry, cracked heels on diabetics as research shows that 1% Tea Tree Oil is ample in these conditions and is extra nourishing with the added benefit of aloe vera. Enriched with Tea Tree Oil, aloe vera and vitamins E and A.

Tea Tree Oil is nature's strongest broad spectrum antiseptic and vitamin E ensures Tea Tree Oil maintains its activity as well as giving the skin a silky smooth feel.

Vitamin A assists keeping the skin young, soft and vital.

Directions:

Massage thoroughly into the skin after bath or after hair removal. Apply daily or as often as required.

Application:

- ✓ Dry and sensitive skin
- ✓ After sun
- ✓ After bath and hair removal
- ✓ Cracked feet and hands
- ✓ After shaving (shaving rash)
- ✓ Minor cuts and burns

pH 6.0
