

METIQUE®

Metique Hygienic Cleanser with 3% Tea Tree Oil and vitamin E

Metique Hygienic Cleanser

Has been specifically formulated to kill disease causing micro-organisms rapidly and effectively whilst maintaining the natural balance of the skin's bacterial flora for optimal hygiene.

It is enriched with the active antimicrobial *Melaleuca alternifolia* oil in order to ensure activity against possible multiply resistant strains of bacteria. It has good residual efficacy against bacteria and fungi making it useful for hygienic hand rubbing where required.

Directions:

Apply adequate amount of Hygienic Cleanser in palm of dry hands, rub thoroughly onto hands and skin for about 30 seconds, then let hands air dry.

Use when you have physically clean hands but need a "microbial cleanse" without water.

Use on areas of client's skin to be treated; apply adequate amount to palm of dry hand and rub thoroughly onto the area to be treated. Allow the skin to dry and proceed with treatment.

Store below 30°C

Application:

Apply to clean hands as required

pH 5,5

Ingredients (INCI):

Alcohol denat., Aqua, Isopropyl Alcohol, Melaleuca alternifolia (Tea Tree Oil), Glycerin, Polysorbate 60, Carbomer, Tocopheryl acetate, Triethanolamine, Limonene, Linalool.

Contraindications:

Patients who have previously shown hypersensitivity to *Melaleuca alternifolia* oil or one of the other ingredients should not use the product.

Shelf life:

3 years from production.

Packaging:

100ml, 250ml

1000ml (Pre-Wax Cleanser)
