

METIQUE®

Metique Antiseptic Skin Wash with 2% Tea Tree Oil and vitamin E

Metique Antiseptic Skin Wash

Has been formulated to kill disease causing micro-organisms on the skin whilst maintaining the skins natural immune system and moisture levels.

Enriched with Tea Tree Oil and vitamin E. Tea Tree Oil is nature's strongest broad spectrum antiseptic and vitamin E ensures Tea Tree Oil maintains its activity as well as giving the skin a silky smooth feel.

Antiseptic hand, body and face wash for perfect hygiene every day, with 2% Tea Tree Oil and Vitamin E, hygienically cleanses blocked pores, removes dirt and excess oil, killing spot-causing bacteria, whilst maintaining the natural balance of the skin.

Directions:

Apply adequate amount of skin wash in palm of wet hands, rub well and rinse thoroughly.

Use as refreshing body wash, effective general antiseptic skin wash and gentle shaving solution.

pH 5,5
